The Alice Sanctuary encourages the participation of volunteers who support the mission and goals of The Alice Sanctuary.

What can you do to help as a volunteer?

Animal areas like Paddocks and coops need to be cleaned, buckets washed, water refilled, hay restocked and bedding cleaned up and refreshed, shelters and fences built or repaired. There is always a lot to do! **We could not run well without the help and support of our highly successful volunteer program! If you are interested in volunteering, even if you have no experience with farm animals, please do not hesitate to contact us. . We are truly appreciative of any assistance you can offer!**

All volunteers must receive orientation, shadow day, and complete the appropriate paperwork before volunteering with The Alice Sanctuary. To get started, please fill out a volunteer form, and we'll contact you to schedule.

PLEASE READ CAREFULLY:

I understand that animals are independent thinking, living beings, with their own minds, and as such will never be entirely predictable.

I understand that risks exist in all animal activities, including risk of permanent disability or death, which common sense and personal awareness may help to reduce.

I am aware that whenever I am a volunteer at TAS it is my responsibility to:

- be alert and respectful of the animals' intentions, signalled with their ears, eyes, body, head, teeth and hooves.
- speak and move in a calm, consistent, and confident way when approaching an animal(s).
- avoid sudden movements or noises

Follow all orientation directions for approaching and working around the individual animals:

- **NEVER** leave animals unattended with gates left open
- always wear appropriate clothing including durable shoes or muck boots
- pick up and replace all tack and equipment used
- no smoking on or around the premises (fire hazards)
- read all posted information and warnings
- recognize that you are part of a team and respect what all team members have to offer
- when around other team members, be willing to share knowledge/experience; look for opportunities to learn from other team members
- listen to all verbal directions from TAS staff and volunteer coordinators for your safety and that of our residents

refrain from acting in any manner which may cause or contribute to injury of self, others, or the animals

I understand that this is only a partial list, and I must be safety conscious and exercise sound judgement **AT**

ALL TIMES. ANYONE found to be disrespecting and/or endangering themselves and/or other people and/or residents will face IMMEDIATE revocation of their volunteer privileges WITHOUT EXCEPTION as well as prompt removal from the property.

I understand and agree that submitting this application form does not automatically register me as a volunteer at The Alice Sanctuary, and that there may be certain qualifications I must meet, including the acceptance of established volunteer policies and procedures, before I may begin volunteering. I also understand that I will be required to sign a waiver before I begin any volunteering. By submitting this form, I attest that the information I have provided on the form is true and accurate.
